**SPECIAL DISCOUNT AVAILABLE!! EARLY REGISTRATION
FSDS ORLANDO, FL**

Derm Surgeon,

Beck Consulting & Associates, Inc. is holding a workshop for **Mohs** techs at the FSDS meeting to be held at the Ritz Carlton, Orlando, FL on November 17 & 18, 2017. This training has been approved for accreditation through the National Society for Histotechnology.

Avantik Biogroup/Belair Instrument Company and Mercedes Medical has graciously offered their supplies and machines for us to provide this training session with hands on sectioning and staining.

At this training workshop, your tech will learn:

- Cell structure and tumor identification
- Techniques for correcting stain irregularities for frozen and routine Histology
- Embedding techniques for full section for Mohs
- Hands on cutting workshop for trouble shooting on cryostat
- Hands on special staining - immuno
- Steps for “faster turn-a-round time”

We also provide lectures on helpful tips for trouble-shooting and review your procedure manual for CLIA compliance.

This training will be held on Friday, November 17 and Saturday, November 18, 2017. This is in conjunction with the FSDS being held at the Ritz Carlton, Orlando, FL. Registration discount is available until April 30, 2017. Each tech is responsible for their travel, reservation and hotel.

This informative workshop is an invitation only, and is a first come-first serve basis. Please complete the registration form and fax it back as soon as possible, in order for us to plan accordingly.

If you have any further questions, please feel free to contact us.

We look forward to seeing you there!!
